

Coronavirus update **

As of this weekend the following will be in place:

- no Mass to have more than 100 people attending.
- no music
- all Lenten devotions and non-essential parish activities are also suspended until further notice including morning tea, movie afternoon.
- physical distance is required if attending Mass i.e. sit 1.5m apart.
- It is strongly encouraged that people whose health is vulnerable to not attend Mass and instead read the scriptures at home.

Further changes may need to be made as this health emergency continues to emerge.
